

CENTRAL INTELLIGENCE AGENCY
WASHINGTON, D.C. 20505

16 DEC 1977

The Honorable Adlai E. Stevenson

Dear Senator Stevenson:

Thank you for your letter of 22 November concerning a request from Northeastern Illinois University for information concerning employment in the field of international affairs.

I have enclosed a supply of five Agency brochures and several flyers on our summer Graduate Studies Program (formerly known as the Summer Intern Program). Both are descriptive of those programs in this Agency which use area specialist students in international affairs. Our Regional Personnel Recruiting Office is located [redacted] and interested students may obtain further information by contacting that office. The name and address of our representative is as follows:

[redacted]

Please convey our appreciation to Northeastern Illinois University for their interest in the Agency.

Sincerely,

[redacted]

Dear Sir:

Senator Stevenson has received a request for assistance from Northeastern Illinois University.

Northeastern is requesting any information that your department has on employment in international affairs.

Since it is the desire of the Senator to be responsive to all inquiries, your prompt consideration is requested.

Please send all information to the Senator's Chicago office.

Thank you very much.

Sincerely,

Hector C. Carreno
